*"In today's proliferation of publications Fourth Door Review provides a breath of fresh air. The review presents a sincere and personal look at the contemporary scene of design and its undercurrents, which is eclectic and focused, courageous and subtle, at the same time, often exploring topics untouched by commercially oriented journals."*

Juhani Pallasmaa

*"Radiates craft and exploration"*

Jay Merrick, architecture writer, Independent

*"Fourth Door Review has consistently illuminated sustainable and interdisciplinary/multidisciplinary approaches to the theory and practice of making and renewing our society, the validity and power of which is steadily becoming more and more widely."*

Sunand Prasad, ex-President, RIBA
